## Carolina Works Airs This Wednesday Night

**For Immediate Release**

**June 24, 2010**

Carolina Works, the monthly news magazine of the South Carolina Workforce System, airs this Wednesday, June 30, 2010, at 7:00pm over SCETV and at 5:30pm on the digitally delivered South Carolina Network.

On this month's show, find out how:

- \* a small air-brushing school is drawing students from around the world
- \*you can learn what you need to get a solid job with Midlands Tech's Quick Jobs program
- \*how libraries are bridging the information gap for people out of work
- \*how SCBOS is changing the way South Carolina does business.

Carolina Works is produced by the Communications Department of the SC Department of Employment and Workforce in conjunction with several partner agencies.

ETV's South Carolina Channel is available free off-air if you have a digital tuner for your television or on Time Warner Cable Channel 802 in the following areas:
